

Choose hio First

The University of Cincinnati is pleased offer \$12 million in multi-year, renewable Choose Ohio First Scholarships for students interested in Science, Technology, Engineering, Mathematics and Medicine (STEMM Disciplines).

The Choose Ohio First Scholarship Program at the University of Cincinnati is designed to increase the number of students who major and graduate in the STEMM disciplines. Our objective is to provide an innovative learning environment with emphasis on academic excellence, support, guidance, and professional development. Students majoring in the STEMM disciplines of science, engineering, math and health care majors, students preparing for health care careers, or education majors who are eager to become leaders in the science and math education of young children are eligible to be considered for these scholarships. Awards range from \$4100 to \$4700 per year.

MINIMUM QUALIFICATIONS FOR CONSIDERATION
