

Directions to University Pavilion from UC Parking Garages

To help you find the Office of Admissions and the OneStop Center, here are directions from UC parking garages.

 *Note: The best accessibility route for people who use wheelchairs is from CCM Garage.*

From College-Conservatory of Music Garage

CCM Garage is located in the heart of campus and is accessed from the east side of campus. From Jefferson Avenue, turn into campus via Corry Boulevard. Follow this street all the way to its end, at the CCM Garage entrance. As you look for a parking space, notice that the names of different CCM facilities are written next to the building entrances.

 ***This route offers the best accessibility for people who use wheelchairs.***

- Enter through the doors that say “Electronic Media.” Take the elevator at the end of the hall to the 4th floor.
- Exit out of the elevator and make a “U” turn to the left. You will see glass doors that lead outside.
- Exit the building and walk across the bridge that you will see ahead of you, toward the Tangeman University Center.
- Turn left at the end of the bridge.
- You will see the University Pavilion, a glass-sided building, to your left. Enter the building using the first set of doors that you come to.
